THE HOUSE  
COLLECTION

AW22/23

Oh, hello!

Welcome to our house! Somewhere in the city centre.

In a narrow and colourful street of old buildings with big windows and imponent doors.

This is our space. A family space. Safe space. Creative space.

We'll show you around.

COME IN!  
THE CHILDREN  
ARE INSIDE.

A baby is lying on a light green textured surface. The baby is wearing a pink knit hat with a large pom-pom on top. The baby is also wearing a dark blue or black dress with a small floral pattern in pink and white. The dress has a ruffled collar and a row of yellow buttons down the front. The baby is looking towards the camera with a neutral expression.
