WEEKEND
AT GABLES

AW25 COLLECTION

We have a country house,
a big, big country house.
Its name is Gables.
Every other weekend, my
family gathers there.
This weekend was extra special
because I got my first camera
- a real camera, just like the
one my dad uses to take
pictures of us. I was so
excited to capture all the fun
and memories with my siblings
and cousins.

it has everything - big rooms with creaky
